## ABOUT MARK STORY

Mark brings confidence and strength to fill roles such as an American soldier leading his band of brothers after the invasion of Normandy, as well as the ability to be fragile and wounded as an Artist seeking why he has lost his way.

Mark was born in Mountain View, California, and grew up in the southern US. Having worked in over 100 features, shorts, pilots, television shows, and commercials, Mark continues to refine his acting craft. Mark is also an entrepreneur in the travel industry owning his own tour company featuring over 150 tours a year along with a team of over 25 employees. Mark is heavily involved in the on-screen work related to travel tourism. Mark's age range is 30s to 40s.

### WORKING WITH MARK

"From his audition all the way through until release, Mark has been one of the most professional and amicable actors that I've personally worked with. Not only would I work with him again in a heartbeat, I've actually since written roles with him specifically in mind."

– Director Brian Wilson

A close-up portrait of a man with short, dark brown hair, light green eyes, and a well-groomed beard and mustache. He is smiling warmly at the camera, showing his teeth. He is wearing a white button-down shirt with a blue patterned collar. The background is a plain, light gray.
